

gândara – Techrider

gândara (booking@gandara.band)

José Holmes - Guitar, Vocals
Rui Caldeira - Drums, Vocals (+491636990933)

What we have

Instruments and gear

Guitars connected to a pedal board and split into two amps that stand on top of each other
One guitar amp (Marshall JCM 2000 toptail) with DI-Out
One 4x12 Marshall Box
One bass amp (Peavey TNT 115) with DI-Out

Drum set with snare (14inch), hihat (14inch), bass drum (20inch), floor tom (14inch), tom (10inch), ride (20inch) and crash (16inch) cymbals mounted on the bass drum

Two microphones, cables and stands for both voices
Microphones, stands and cables for the amps and drums

What we need

Stage

Big enough for two microphone stands, two amps, one guitarist with pedal board and one drummer on a medium sized drum set.

We need three power plugs for the two amps and the pedal board (eventually a fourth for a light).

Sound-System

PA-System for the two voices with at least two channels with reverb (hall) and distortion effects and monitoring.
